

IRSM Volunteer Welcome Sheet

Thank you for partnering with *IRSM* in the effort to equip women across the Americas. Here is a brief list of the first steps you can take to get familiar with the ministry, and know what resources we have available and the areas where you can put your talents into action. Please know that our team is praying for you and the people you will be impacting through your participation in this ministry.

1. Subscribe to the *Iron Rose Sister Ministries* Blog, e-news, and Social Media

- * To receive the weekly blog posts where *Michelle J. Goff* and other *Iron Rose Sisters* share on a monthly theme – equipping women to connect to God and one another more deeply. You can subscribe on the blog page of the website. <http://ironrosesister.com/blog>

2. Explore the *Iron Rose Sister Ministries* Website

www.IronRoseSister.com

- * To learn more about *IRSM* and what resources are available for your own growth as well as to share with other people who could be interested in connecting to God and one another more deeply. We are also seeking new partners, so help us spread the word!
- * To spread the word about the opportunity to partner with *IRSM* in prayer or financially.
- * To see what products are available for sale or for free (classes/audio), so that you can promote them among your congregation members or people that long to be equipped to connect to God and other women.
- * To follow up on the different activities that are held by *IRSM* or where *IRSM* is participating, in order to support us in prayer. Share with others, so they can join us too!
