

Planting the Seeds: A Multiplied Harvest

“For God is the one who provides seed for the farmer and then bread to eat. In the same way, he will provide and increase your resources and then produce a great harvest of generosity in you. Yes, you will be enriched in every way so that you can always be generous. And when we take your gifts to those who need them, they will thank God.” (2 Cor 9:10-11)

As we move into the fall, we are celebrating the ways God has been multiplying what has been entrusted to Iron Rose Sister Ministries this year. Through your generosity and faithful partnership, you have helped make important investments in the people and resources that make this ministry possible.

At IRSM, we often say, “Our staff is our curriculum.” Investing in our team is one of the primary ways we equip women across the Americas to deepen their relationships with God and one another. This year, your generosity has made it possible for our Brazil Coordinator to move to full-time ministry, our Operations Manager to be restored to full-time ministry, and a **new Ambassadors Program Coordinator role** to be opened. Each of these steps strengthens our capacity to equip, encourage, and empower more women. We are teaching to teach to teach (2 Tim 2:2), multiplying our efforts so that the ministry God has entrusted to us can continue to bear fruit.

This same heart for multiplication is at the center of our **Ambassadors Program**, which builds an international network of women who help extend the reach of IRSM. Through this network, we can make the full extent of our resources available to the largest population possible, equipping more women to deepen their relationships with God and one another, and to invest in others. It is a practical expression of teaching to teach to teach (2 Tim 2:2), multiplying the reach of the mission God has entrusted to us.

We are also seeing God expand the reach of **our biblical resources**, including the Portuguese version of *Who Has the Last Word?* We are excited that our Portuguese-speaking sisters now have access to this Bible study, opening another door for women to be equipped and encouraged through God’s Word.

These are just some of the ways we are seeing the beginnings of **A Multiplied Harvest**. We plant faithfully, but God is the One who brings the growth (1 Cor 3:6). **And through your generosity, you have helped plant these seeds.** We are grateful for what He has already brought to life and trust Him for the harvest still to come.
