# West Broward Blessing

The **162 women from more than a dozen congregations across South and Central Florida were "All In!" for the Bilingual Ladies' Day** hosted by the West Broward Church of Christ in Florida. White, Black, Hispanic, and Asian women, from fifth graders to those in their eighties, all gathered to worship and study God's Word in English and Spanish. What a blessing!

"We could not have put this event together if y'all had not walked with us every step of the way. [Staff Ambassadors Michelle] and Corinne were such a blessing."

Countless women used their gifts and talents to decorate, organize, facilitate small groups, invite others, and more! Men of all ages helped behind the scenes with the meals, setup, cleanup, and in other areas. God was glorified as we partnered with this hosting congregation for the second time.

Morning classes were taught by Michelle J. Goff in each language from the book of Colossians. IRSM Ambassadors Shaian Preihs and Melba Ramos each taught a portion of the afternoon lessons in English and Spanish, respectively. They did a great job bringing in personal and practical examples from Colossians 3.

**The West Broward planning committee was especially grateful for the way this event served as a catalyst for the women and the women's ministry.** "All the women are so inspired to keep going from here! Now they are not afraid to facilitate a small group. Now they know what it means to help in this way or to use their gifts in another way. We needed this ladies' day! Thank you so much for helping us make it happen!"
