

Iron Rose Sister Ministries' AMBASSADORS PROGRAM

Iron Rose Sister Ministries' (IRSM) Core Vision Statement: to equip, encourage, and empower women to connect to God and one another more deeply in English, Spanish, Portuguese, and bilingual contexts.

Considering IRSM's vision of equipping women to foster deep, encouraging, and empowering relationships with the Lord and our sisters in Christ, it is essential that we have women equipped as leaders and speakers to carry this out amongst women. These representatives are called IRSM Ambassadors.

Purpose:

The IRSM Ambassadors Program allows us to build an international network that provides the full extent of our resources to the largest population possible.

Definition:

An IRSM Ambassador is a woman, active in her local church of Christ, that serves as a representative of Iron Rose Sister Ministries to aid in the mission of equipping women to connect to God and one another more deeply by speaking, encouraging, facilitating, and representing us at IRSM-affiliated events.

Biblical Principles of IRSM Ambassadors:

- Ambassadors of Christ sharing a ministry of reconciliation with God (**2Co 5:20**)
- Equipping women to equip other women who equip others (**2Ti 2:2**)
- Serving as representatives in honor and glory of Christ (**2Co 8:23**)
- Strengthening one-another relationships amongst women (**Pr 27:17; Ro 12:10-21**)

Confirmed Ambassadors

In alignment with their individual talents, IRSM experience, training, and passions, they may be equipped to serve in the following areas:

- Encouraging and informing others at an IRSM Booth/Table
- Speaking on behalf of IRSM at an event (in person or virtually)
- Teaching and/or facilitating a group on behalf of IRSM
- Managing local inventory of our books
- Supporting and participating in IRSM fundraising efforts

Volunteers:

The following areas are adequately covered by volunteers and do not require Ambassadors Training:

- Teachers using IRSM materials in their own local area
- Writing and submitting blog posts or event articles
- Backing up Ambassadors at an IRSM Booth/Table (men or women)

Ambassadors Training:

Ambassadors Training allows IRSM to equip speakers, teachers, and leaders with the skills and resources that they will need to aid the ministry

in building community, mentoring, encouraging, teaching, and speaking within the IRSM network. The Training Program qualifications and affirmations are detailed in separate documents.

Ambassadors Equipping Workshop:

This in-person, invitation-only event is designed to build community amongst Ambassadors while providing intensive hands-on training and experiential learning, all with the goal of being better equipped to equip other women who equip others. Additionally, the workshop provides the opportunity to create, receive feedback, and interact with IRSM materials and resources.
